Who is eligible to purchase contract parking? A-State faculty, staff, and registered students. How much does contract parking cost? The current pricing for each contract parking lot is published above. How do students and employees secure contract parking? Students and employees secure contract parking through Parking eBiz. Log in to my.AState and select Parking eBiz in the QuickLaunch Navigation section, followed by "Contract Parking Waitlist." Customers may select one or more waitlists. Parking Services will contact customers as spaces become available. How do students and employees pay for contract parking? Students and employees are not required to pay in advance of securing a contract parking space. The appropriate fees will be directly applied to customer accounts. Students may pay for contract parking fees on their accounts in the same manner that other fees are paid. Employees may pay for contract parking on their accounts. Most employees are also eligible to enroll in a payroll deduction plan sponsored by Human Resources. Contact Human Resources at 972-3454 for more information. Students and employees may renew their contract parking spaces for each upcoming academic year. Parking Services will make every reasonable attempt to notify customers of upcoming renewal periods. How do students and employees access contract parking lots? Most contract parking lots are protected by access gates. Customer A-State ID cards are activated to provide access through the gates. Gate access protection may be removed as needed and/or as announced by A-State Parking Services. Some lots such as the North Parking Deck and East lot are not restricted by gate access. These lots are restricted with posted signage. All customers must display a current parking permit from their vehicles when parking in their contract parking spaces. Permit fees are not included in the contract parking fees. How are contract parking spaces enforced? Restricted hours are published in the latest version of the Parking/Motor Vehicle Regulations. Parking Services officers patrol contract parking lots routinely. Unauthorized vehicles that are parked in contract spaces during the restricted hours are subject to citations and towing. Customers are encouraged to contact Parking Services immediately at 972-2945 when experiencing any problem with accessing their contract parking spaces. The Parking Services staff will provide instructions to customers in such events. ASU Gammage is located at 1200 S. Forest Ave. Tempe, AZ 85281 on the campus of Arizona State University. Check out Know Before You Go for important updates and information. Gold Lot (Lot 3- ASU Gammage Lot) Limited Parking Available Reserved exclusively for subscribers with season ticket booklet parking pass and patrons requiring accessible parking spaces. When the Gold Lot is full, patrons will be directed to the Maroon Garage. Maroon Garage (Apache Structure) Day-of-show: \$3/hour, max \$15/day. Also available for subscribers with season ticket booklet parking pass. Accessible parking is available in all parking areas. Dedicated accessible spaces are held in the Gold Lot For the best show experience please arrive at least one hour prior to your performance.
